

BEDÆKNINGSTAL FOR 2023

Bedækningstallene for Dansk Varmblods hingste og registrerede hopper for året 2023 er udarbejdet af SEGES Heste og omfatter udelukkende hopper, der er registreret eller kåret i Dansk Varmblod. Bedækningstallene er så præcist kalkulerede, som det har været muligt, men der mangler sandsynligvis stadig indberetninger fra nogle inseminører/hingstestationer.
